

Diversity Audit: Your Getting Started Checklist

Work through this checklist before starting the equity audit.

Which of the following potential stakeholders will you examine through the equity audit?

Stakeholder	Yes	No	Maybe
Members			
Potential members			
Staff			
Board of Directors			
Vendors/subcontractors			

Who should participate in completing the audit? Areas of expertise should include: finance, operations, data, boards and programs

Name	Area of expertise

Which identities need to be included in the audit to define 'diversity' for your association?

How will you communicate the results of the audit to stakeholders and the community?

How will your audit team define diversity?
